## MERRY CHRISTMAS!

It is hard to believe that the year has gone and we are now at Christmas again. We still remember coming back to Lesotho, just a little bit before Christmas last year. My how much has happened over the last year.

We have added a son to the mix of so many beautiful girls, and he is loving every minute of pampering that he gets. Carson has brought so much fun into our household, and the girls can't leave him alone. He is not allowed to cry without getting picked up and hugged or loved on in some way.

As you can tell from the picture

ing up. Lydia has just lost another tooth and called me at work today to say that she can sing the

*All I want for Christmas is my 2 front teeth!*

song! I asked her which song and she said, "All I want for Christmas is my two front teeth!" Now Natalie and Courtney all of a sudden have loose teeth because their

big sister does. What fun it is to watch them grow up but at the same time wanting to cherish the times we have while they are young. We would ask that you pray for us as we wish so much that our families could see them and especially spend time with them at Christmas. This time of the year is such a hard time to be away, but also a time when you realize that the Good News of Jesus Christ that we know should be known by all! We miss you all but we pray that you have a wonderful Christmas and that you enjoy your family more and more each day!

## BIGGER FAMILY MEANS BIGGER CAR

Another need we have been putting off as long as we can is the need for a bigger car. After adding Carson, we pretty much maxed out the vehicle we bought 3 years ago. We have been looking around, but unfor-

tunately cars are about 3 times more expensive here than in the US. Mountain View Baptist Church in Spearfish, SD has agreed to help us with this need. If you, or your church, would like to help us with the purchase of a

ministry vehicle you can send your gifts to:

Lesotho is a beautiful place to fly!

What do you need to make an already busy household even busier?  
Try 8 puppies! They are just about old enough to give away.

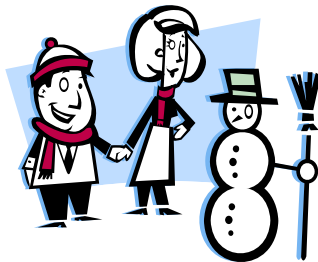

Here is our happy boy,  
always wearing a smile

*Please take the Prayer Card that is included here and place it where you will remember to pray for us  
and our kids. We could not do it without your prayers!*

**Prayer requests:**  
I have been having ankle pains and Tonya has been battling with hives. Please pray that we would both find relief soon.

We want to wish you a Merry Christmas and a wonderful new year! We thank you all so much for supporting us in this ministry! We literally could not do it without your generosity!

With Love from the Vennell Tribe,
